“The move to Greentree from our existing tier 2 system was originally all about substantial cost-savings. However, it’s turned into a ‘Win-Win’ for us with **tremendous gains in flexibility, integration and productivity.**”

Dermot Murray, Director, Corporate Services – Bonnacci Group

“Eastern Tree Services chose Greentree because it was a flexible cost-effective ERP solution, which is backed by Star Business Solutions, a **specialist local support partner.**”

Paul Tymensen, Chief Financial Officer – Eastern Tree Services
